CHESTER HOUSE

Supporting Young Christians to Thrive in Study, Work and Life

Be Supported to Live and Thrive

Chester House is supported by a dedicated supervisor and young adults community from Oxford Terrace Baptist Church. Chester House is part of the wider Oxford Terrace Housing Community, a collection of homes on the church site, where neighbours connect and foster a sense of community together.

The House

Chester House is a new five-bedroom apartment, within walking distance of Christchurch's central city. For more details head to the Chester House page at otbc.org.nz.

"When I first moved to Christchurch, I knew no one, and had no family there. Thanks to Chester House and the OTBC community it soon felt like home." – Renee

"The localized, friendly and welcoming community makes for a great time. A wonderful introduction to the flattening experience." – Jesse
